Building Material Supply

JAYC Tanzania Ltd is a producer, distributor and supplier of Aggregates, Sand, woods and Soil in Tanzania. Our traditional business model is based on the supplying and distributing of aggregates, sand and soil for building and construction companies in Tanzania. In addition to the supplying of building material.

Agro Trading Commodity

In Agro trading commodity we focused on aggregating commodities from several smallholder farmers and performing basic value adding activities such as drying, sorting, cleaning and packaging etc.

Then supplying to wholesale buyers and processors locally and internationally. We are a Traders & Marketer of Raw Agricultural Commodities, Foodstuff and Agro-Allied Products. Worked hard to position ourselves as leader in trading and marchentile of agro commodity in Tanzania and beyond. Also we are among the providers of agri trading commodity through creativity, profitable and value added investment vehicle.
